

SHARP SAFETY

DOS AND DON'TS

1. If you find a sharp object, make sure to tell an adult, like a parent or a teacher.

1. If you find a sharp object, make sure to **NOT** touch it.

2. Try to remember where the sharp is located so an adult can easily find it and pick it up.

2. If you find a sharp object, make sure to **NOT** pick it up.

3. Tell your friends not to touch or pick up the sharp object.

3. If you find a sharp object, make sure to **NOT** step on it.

4. Go back to playing with your friends

4. If you find a sharp object, make sure to **NOT** go near it.

5. Avoid the areas where you saw the sharp object until it is picked up by an adult
