

LOWERING THE RISK IN SHARED LAUNDRY ROOMS

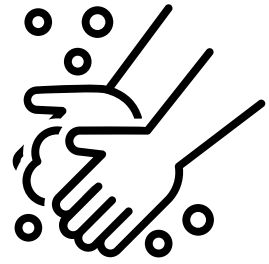

If others are using the laundry space, wait until they are finished before entering, or keep a physical distance of at least 2 metres from each other

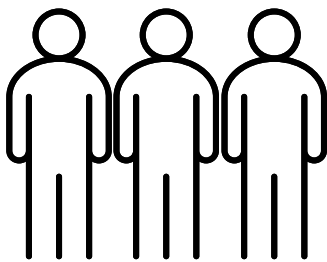

Disinfect the controls before and after using the machine

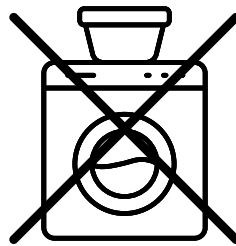

Wear a face covering

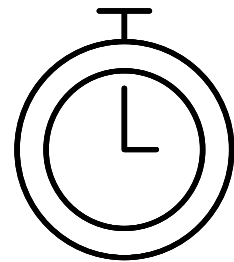

Wash or sanitize your hands before and after doing the laundry

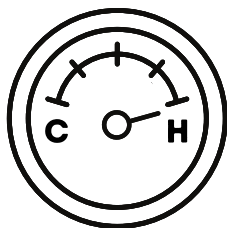

Avoid crowding or social gathering

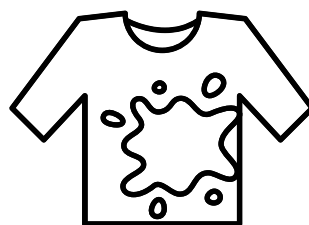

Do not leave soiled clothing or hampers/baskets on top of machines

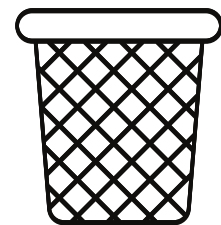

Limit your stay. Fold laundry in your unit

Dry items completely at the highest temperature setting

Avoid shaking out or hugging dirty laundry

Disinfect your hamper/basket before using it for clean clothes
